VETS Indexes Awards MI Technical Solutions As 5 Star Employer

Chesapeake, VA April 11, 2024 - MI Technical Solutions, Inc. (MITS) is honored to be recognized as a 2024 VETS Indexes 5 Star Employer. MITS, a global Information Technology (IT) and engineering company, develops products and provides services that are designed today for tomorrow for its clients. At the time of award, more than 60% of the company are veterans. Mike Ihrig, the Chief Executive Officer (CEO) of MITS, said, "We know firsthand the dedication, talent, and skills that veterans bring to the workforce. Our MITS Team is proud to continue to serve our customers. Every day is an opportunity to continue to excel."

This year, MITS was one of 344 applicants who were considered for the VETS Indexes Employer Awards. Applicants completed a survey of metrics and were evaluated with an objective, standardized methodology that judges companies fairly and consistently. Publicly traded and private companies, large and small, nonprofit organizations, colleges, universities, and government departments and agencies can participate. "The extraordinary efforts of MI Technical Solutions, Inc. to hire, retain, and support veterans and the military-connected community have earned the organization one of our highest awards," said George Altman, President of VETS Indexes. Organizations that prove to be one of the best veteran employers will be recognized with an award, news release, and logo that can be used for advertising, marketing, and recruiting veteran talent.

VETS Indexes is a leading voice for veteran employment issues. "Competition for the VETS Indexes Employer Awards was tougher than ever in 2024, as a record number of organizations participated. Even with hundreds of employers in the running, the veteran's program at MI Technical Solutions stood out from the rest. Congratulations to MI Technical Solutions on this outstanding achievement!" Altman said. For the full list of awardees, please visit: <https://vetsindexes.com/award-results-2024>.

About VETS Indexes: (From their website: [About Vets Indexes – VETS Indexes](#)) VETS Indexes is the world's first resource for U.S. Military Veterans' themed indexes. They provide innovative solutions that recognize the value created by the mission critical mindset, unique skill sets, and specialized training that US Military Veterans bring to the workplace. VETS Indexes also donates a significant portion of their net profits to charitable organizations that support the wellness of our Military Veterans and their families.

About MI Technical Solutions, Inc. (MITS): MITS, founded in 2004, is a Virginia Values Veterans (V3) company and a SkillBridge partner. In addition, MITS founded MITS-GIVES, Inc. to support veterans, their families, and the community. Its first project is the Memorial Honor Guard Corps at the Albert G. Horton, Jr. Memorial Veterans Cemetery in Suffolk, Virginia. Learn more at MITechnicalSolutions.com and MITS-GIVES.org.
