MI Technical Solutions Recognized on the 2025 GovCon Vanguard DOD 250 - Top Defense IT and Industry Partners Listing

Chesapeake, VA February 27, 2025 – OrangeSlices, in partnership with HigherGov, selected MI Technical Solutions (MITS) for 2025's GovCon Vanguard DOD 250 - Top Defense IT and Industry Partners List. This listing selected leaders in DOD Technology and Support services based on obligated funds for Fiscal Year (FY) 2024 for specific NAICS codes as well as their proven track records for finding, competing, and securing contracts. For more information on the 2025 GovCon Vanguard DOD 250 List, please visit: [Meet the 2025 GovCon Vanguard DOD 250 – Top Defense IT and Industry Partners | OrangeSlices AI](#).

MITS is honored to have this distinction as it is a true testament to the global technology and support services we provide to the Government. MITS specializes in providing communications and technology services that support maintenance, sustainment, and operational activities across the globe.
