VA Office Soccer Team Kicks Off Its Summer Season

MITS KICKS Players with Their Sponsor

Chesapeake, VA July 12, 2024 – MI Technical Solutions (MITS) employees recently formed MITS KICKS to further foster interdepartmental team bonding and comradery all the while of having fun on the indoor soccer field. Their uniforms sport the company's color theme and logo! MITS KICKS currently has 13 regular players with four alternates from our Chesapeake offices on the roster to play in the casual, indoor VB soccer division. Practices are held to further improve their ball handling skills with various drills. They are working on strategies on how best to make use of all the individual players talents. Games are scheduled weekly during this seven-week summer season. At the time of this article, their record is 0-2. Let's go MITS KICKS!
